

TECHNOLOGIES PVT. LTD.

POWERING
MULTI-SCREEN
VIDEO EXPERIENCES
(SINCE 2011)

Saranyu Technologies, a Bangalore-based innovator since 2011, delivers cutting-edge multi-screen OTT video platforms and solutions. We empower businesses in broadcast, media & entertainment, education, news, and enterprise to captivate audiences across any screen.

Saranyu stays at the forefront of OTT technology, continuously evolving alongside the industry.

- **Comprehensive OTT Platform:** Build a complete OTT experience with a full suite of apps 'Go Live in 4 Weeks'.
- **Seamless Video Management:** Transcode, play, and edit videos with ease.
- **Engaging Content Formats:** Offer FAST channels, short-form video(UGC), and on-demand content.
- **Enterprise Solutions:** Leverage data platforms and AI-powered recommendations.
- **Industry-Specific Solutions:** Deliver video experiences for Telco, news, education, and more.
- **Content Security:** Protect premium content with robust DRM solutions.
- **Development Expertise:** Get custom solutions, UI/UX design, system integration, and more.
